**Importance:** High

Hi Everyone:

I wanted to give you a general outline of our meeting this afternoon with Petitioners. Carrie, would you be able to take notes of this meeting again?

1. Liesl Clark from EGLE and Elizabeth Hertel, Director of the Michigan Department of Health and Human Services will be joining the call. I've cleared MI's participation with Sylvia Orduño, who has been the point person for Petitioners on these meetings.
2. After introductions and initial opening remarks from Radhika and Sylvia, I'll be facilitating our report out on EPA's follow up actions since our last meeting. Because you have been doing all the work, I wanted to ask each of you to provide a brief update:
  - a. Bottled Water Distribution and Filter Distribution – Liesl Clark and Elizabeth Hertel
  - b. Facilitation of community engagement in the drinking water and filter distribution planning – Alan
  - c. Inspection of Benton Harbor PWS and Meeting with Reverend Pinckney – Michael (I don't want to over step into the enforcement lane, but hoping you could share that the meeting occurred, the inspection is underway, and that EPA assisted Elin to get information she requested and we received her questions.)
  - d. Filter Study – report out that ORD will initiate a study and we will be reaching out to interested petitioners to join a meeting to discuss next week – Cheryl
  - e. Funding to support stipends for community groups working to assist with filter distribution, education, and outreach - Matt

Then we'll have discussion time with the Petitioners.

If it seems useful to mention, we can also discuss the Public Education materials that Region 5 is compiling and our offer of assistance to EGLE. If we discuss, I will ask Cheryl.

Please let me know if you have any questions or concerns.
